Walk out of the car park, through a kissing gate and turn left following the path.

When you reach a fork in the path, turn right for the short walk. You will walk over the bridge and around the lake. Turn left if you want to follow the long walk around the park.

Turn right, over the small bridge and walk past the café on the left. Go through the wooden kissing gate on the right.

The short walk will join the long walk at this point. You will soon reach the car park gate.
